

ANNUAL INDEX — 1944

ANATOMIC RECONSTRUCTION	
	Page
Brann, C. T., and Durrer, G. T.: Bite Raising: Case Report, October...	448
Chernoff, Phillip M.: Surgical Correction of Dentofacial Deformities, November	507
Tylman, Stanley D.: Resilient and Elastic Resins: Technique for Their Use in Maxillofacial Prostheses, June	260
Weiss, Harry M.: Facial and Functional Rehabilitation Without Plastic Surgery, January.....	22

ANESTHESIA	
Callahan Award to Luckhardt (Ethylene), January	36
Lozier, Matthew: A New Technique for Pre-Injection Anesthesia, September	400

AVIATION DENTISTRY	
Mullen, James M.: Toothache and the Aviator, November.....	503
Summerville, Donald V.: Aviation Dentistry: Conditions Present in Altitude Flying, September.....	407
Effects of High Altitude Flying, October	458

CARIES	
Bourgoyne, Julius R.: Early Removal of Third Molars to Prevent Caries, March	108
Briggs, E. F.: The Psychogenic Factor in Dental Caries, March.....	115
Dietary Treatment for Dental Caries: Low Carbohydrate Diets (An Abstract), November	518
Fate of Bacteria Sealed in Dental Cavities (An Abstract), March...	119
Fluoride and Dental Caries (An Abstract), April	189

CLINICAL AND LABORATORY SUGGESTIONS	
January	
Anodyne Temporary Fillings, and A Tempered and Sticky Gutta-Percha Filling; Chester J. Henschel...	20
February	
Prolonging the Usefulness of Contra-Angles, Long-Lasting X-Ray Developing Solutions, and X-Ray Developer Replenisher for Constant Brilliant Contrast; Chester J. Henschel	70
March	
Amalgam Condensation on Lingual Steps, A Better Cement-Mixing Slab, A Handle for Inlay Cementation, and A Cement Base Bottle; Chester J. Henschel.....	117
April	
Vibrating the Inlay Pattern, Removing the Direct Wax Pattern, Painless Cavity Sterilization or Medication, and A Small Bur for Removing Inlay Nodules; Chester J. Henschel	168
May	
A Practical Shade Guide for Silicates, A Leaky Water Jacket Tray Put to Use, Preparation of Lug Seats in Wax Patterns, and Determining an Interproximal High Spot; Chester J. Henschel.....	218
June	
A Safety Stop for an Injection	

Needle, A Guide for Centering the X-Ray Film, and Patient Holds Cotton Roll in Place; from Suggestions, <i>Dentistry—A Digest of Practice</i>	259
---	-----

July	
Prevention of Rusting of Sterilizer, Keeping the Sterilizer Faucet Lubricated, Prevention of Irritation by Cotton Rolls, and A Method of Cleaning the Typewriter; Myrel Arnold	303
August	

Technique for Maintaining Contour and Contact Point in Anterior Tooth Restorations, Edward E. Johns; Cavity-Lining Set, Walter A. Loope; and A Method of Assuring Parallelism of Axial Grooves in Preparation of Three-Quarter Crowns, Walter C. Harbart.....	361
---	-----

September	
A Centrifugal Force Casting Machine for Stone Inlay Dies and Models, Talmage V. Rogers; A Technique for Assuring Clearness of Detail in Taking a Wax Bite Impression, Myrton J. Billings; A Method of Preventing Dislodging of Cotton Roll by Frenum, Thomas V. Palmer; A Technique for Preventing Displacement of Denture Teeth in Processing, Seth W. Shields; A Method of Locating Exact Hole Made Through Alveolus Before Making Interosseous Injection, L. C. Ziegler; and A Method of Mounting Films, Esty Kahn.....	412
October	
A Method of Preventing Fracture of Marginal Ridges of Compound Amalgam Restorations, T. J. Hanson; A Method of Keeping Instruments Sharp, Ermina Miller; The Use of Copper Tubes in the Direct Method of Acrylic Jacket Construction, Robert Cutler; The Use of Yellow Laundry Soap as a Separating Medium, F. W. Allen; The Use of a Discarded Saliva Ejector as an Aspirator for Oral Surgical Procedures, Abraham Glick; and A Technique for Preventing Acrylic from Falling Out of Cast Gold Veneer Crowns, I. F. Miller.....	462
November	
A Method of Preventing Air Traps in Taking Colloid Impressions, Leslie L. Hoke; A Method of Contouring the Lingual Surface of Class III Silicate Restorations, A. Benjamin; A Container for Zinc Oxide-Eugenol Paste, Roland B. Herman; A Razor-Sharp Blade for Removing Excess Wax from Pattern, Robert Vane; A Model Used for Patient Education, S. L. Elliott; A Simple Reinforcement for Acrylic Jacket Crowns, and Pontilays for Saving Teeth, Chester J. Henschel.....	514
December	
A Method of Holding a Roentgenogram During an Extraction, W. H. Coleman; A Supplementary Anesthetic Pack for Extractions, Henry L. Desatnek; An "Electric" Spatula for Use in Setting Up Teeth, R. L. Fairbanks; A Simplified Method of Applying a Topical Anesthetic, Abraham Glick; A Method of Con-	

touring the Lingual Surface of Adjacent Anterior Restorations, Robert Vane; and A Technique for the Quick Repair of a Broken Acrylic Denture Tooth, M. I. Weinman....	558
---	-----

CONTRA-ANGLES

January	
Nurses Aides; Mileposts; Appointments for Youth.....	28
February	
This is the Hundredth Year; Students in Uniform; On the Grading of Teachers	80
March	
Psychiatry in the War; We All Owe Money; Fees Increased.....	126
April	
No One Likes Censorship; Our Good Neighbors; No Infection Shows	177
May	
Technique for Attending a Dental Meeting; Test Yourself; The Hush-Hush Parade; The Best Often Loses	224
June	
Railroads at War; Not an Easy Job; Touch of Modernity; Smelling Out the Dead Beats.....	272
July	
Millions, But None for Dental Care; Needlecraft; Medicine is Different; Chemurgy	322
August	
The Woman Without a Nose; Smaller and Better; The New Order in Medicine.....	367
September	
Nazis Without Teeth; You Can Do It Better with Fluorine; Sugary Pens; How to Live With Your Ulcer; Boy With a Cross.....	416
October	
Hidden Sweets; One Little Letter; Dentists for the World.....	469
November	
In Convention Assembled; Talks to Dental Writers; Men Are That Way, Too	520
December	
Two Assemblies; Fluorine in the Headlines	566

CROWN AND BRIDGE

Barry, Walter F., Jr.: Close-Bite Bridges of Gold and Acrylic, February	62
Harbart, Walter C.: A Simple, Accurate Technique for Immediate Acrylic Bridges, November.....	500
Laby, Irving E.: Merits of Acrylic: A Technique for Its Use in Bridge Construction, October	465
Lodmell, A. M.: Technique for Acrylic Crowns and Inlays, May.....	210
Rockwitz, Morton C.: Esthetic Acrylic Bridges, July.....	300
Winkler, Newman D.: Reinforced Acrylic Crowns, February.....	69

DENTURES, FULL AND PARTIAL	
Advantages of Immediate Denture Service (An Abstract), June.....	286
Ante, Irvin H.: Rebasings A Complete Mandibular Denture, February....	72
Carpenter, Mont C.: A Simplified Procedure in Full Denture Construction, October	446
